**THE LANDMARK IN
THE HEART OF THE
MOZART CITY**

Austria is the land of castles and palaces. In picturesque Salzburg, the largest and most famous castle is located in the heart of the old town. Enjoy the majestic view and learn more about this historic gem of times gone by in a private atmosphere.

A private tour of Hohensalzburg Castle is an exclusive experience – an adventure reserved for a select few. Our journey through begins time with an exquisite aperitif in a unique medieval room where you can literally feel the history of the old walls

Our well-trained guide will entertain you with fascinating facts about the city and its famous fortress. You will visit the magnificent royal apartments, one of the most important examples of the influential medieval art and architectural style in Europe – the Gothic style.

But you will also be enchanted by other hidden corners and secret areas that few guests get to see.

The unforgettable highlight of the tour is the breathtaking panoramic view from one of the towers. At this special photo spot, you have the historic City of Mozart and the imposing surrounding mountains right before your camera. We would like to sweeten this moment for you with a little delicacy from Salzburg – the Mozartkugel.

Experience an unrivaled feature and discover the fortress like never before – luxuriously, privately and absolutely outstandingly.
