Just 30 minutes by car or train from the city of Salzburg, the imposing Hohenwerfen Castle rises up, nestled in the breathtaking mountain landscape of the Alps. With its rich history and extraordinary ambiance, it is waiting to be discovered.

Our private tour offers you a rare opportunity to experience Hohenwerfen Castle from a perspective once reserved only for princes. This personalized experience brings you closer to the history of Salzburg and the significance of Hohenwerfen Fortress in a vivid way.

Your exclusive tour begins with an impressive bird of prey show, where you can see these majestic creatures in action. Afterwards, your highly trained guide will welcome you at the Lindenwiese. They will take you along secret paths, up the "Dark Staircase" and through the "Secret Passage"

of the prince-archbishops into the interior of the main castle. Together you will discover areas of the castle that are normally hidden from the public.

The grand finale of your exclusive tour of the castle is a stylish snack with regional specialties, which you can enjoy in the incomparable ambiance of the castle. Vegetarian options and dishes without pork can also be provided on request.
