### **The Legend of Jackl: Witches and Wizards in Salzburg**

'The Legend of Jackl – Wizards and Witches in Salzburg' is a special and exciting exhibition, now already in its second year, having immediately become a visitor magnet. It's dedicated to a craftsman and bandit leader from Werfen – Jakob Tischler (a.k.a. Jakob Koller), better known as 'Jackl the Wizard'. Visitors explore 'Imagination, Fear and Protection – cults of fire and witchcraft today' on a total of four floors of the ancient armoury building. The display deals with the occurrences at the centre of the Salzburg witch trials, through to today's cults of magic around the world. The exhibition will fascinate visitors with some authentic and very spooky exhibits, multimedia installations and fairy-tale characters.

### **A hands-on experience of the Middle Ages**

There's far more to be enjoyed at Hohenwerfen Fortress than adventures and stories of legendary magicians, witches and wizards. One major highlight is a guided tour of the entire fortifications. Guests are immersed in the history of this mighty building and in blood-curdling stories from its distant past – like in the torture chamber in the horrifying dungeon; a place once occupied by a mute prisoner. High up in the bell tower, magnificent views of Salzburg's alpine scenery seduce all photographers and lovers of stunning landscapes. Audio guide tours are available for foreign guests in 13 languages, and the castle tavern is a great place to enjoy local culinary treats and knightly delicacies at the end of a tour.

### **Old fortress chapel as good as new**

The first highlight of every guided tour of Fortress Hohenwerfen is the chapel. It was dedicated to Saint Sigismund and is believed to have been part of the original fortification built under Prince Archbishop Gebhard in the 11<sup>th</sup> century. Over the winter the chapel was thoroughly repaired and restored to its former glory to ensure it survives for centuries to come. The plaster floor was overhauled and the works of art were cleaned by a restoration specialist. Now the chapel is ready to receive guests. In future the chapel is also to host weddings, festivities and prayer services.

Hohenwerfen Fortress can look back on a highly eventful past. Construction of Hohensalzburg Fortress, and of Friesach Castle in Carinthia, was commenced in parallel in 1077 under Archbishop Gebhard von Helfenstein. Great rulers and regional sovereigns were often imprisoned in the castle. During its eventful history the mighty Hohenwerfen Fortress has also served as a film location and a police training college, until it was ultimately opened up for visitors from around the world 30 years ago. Since then, the fortress has become one of the most popular tourist attractions in the entire province of Salzburg.

### **A paradise for families**

Hohenwerfen is especially attractive for families. A special children's audio guide is available in six languages (German, Italian, English, Dutch, Danish and Hebrew) to ensure all kids enjoy entertaining, depictive and informative insights into life in the Middle Ages. The children's riddle rally equips kids with a notebook and sends them off on a thrilling treasure hunt. Those who solve all the riddles and find all the items can look forward to a surprise treat in the castle shop.

### **Get close to birds of prey from down the centuries**

One special highlight of every castle visit is a falconry demonstration staged by the old provincial falconry centre. Demonstrations in the castle grounds are held twice a day, and even three times a day in July and August. People from all over the world visit the fortress to witness the spectacular aerial manoeuvres performed by falcons, eagles, buzzards and other birds of prey at close quarters. Trained falconry specialists and the falconry museum provide insights into an ancient craft that is rarely seen today.

### **Events: Always something going on at the fortress**

As every year, in 2021 Fortress Hohenwerfen will be staging a large number and wide variety of events. Some of the highlights include the atmospheric Christmas market in December, the mystical nights (2<sup>nd</sup> & 23<sup>rd</sup> July, 27<sup>th</sup> August, 17<sup>th</sup> September), when guests sit around the burgrave's table.
